S.T.E.M. Class

In this class, we will incorporate Science, Technology, Engineering, and Mathematics with our preschoolers. We will guide preschoolers' natural curiosity, inquiry, creativity, and critical thinking in a fun, educational environment. This class gives students an opportunity to have an extended time to practice social skills, and have large motor time. There will also be some time for quieter activities to balance the day.

When: Thursdays, March 7–28
Time: 12:00–3:00 PM
Cost: The cost is $40 per time and will include Lunch Bunch and an afternoon snack.

To register—Please check the class sessions that your child will attend.

March ☐ 7   — 14 (No Class—Conferences)   — 21 (No Class—Spring Break)   ☐ 28
